取下遥控器电池绝缘片，长按“on”按键5秒直至灯带呈“闪烁”状态，设备进入蓝牙配网模式。

Pull out the insulation sheet, then long press “on” button for 5s until the light strip “flashes”, which means it enters the Bluetooth Pairing mode.

Ziehen Sie die Isolierabdeckung heraus, dann drücken Sie 5 Sekunden lang die Taste „Ein“, bis der Lichtstreifen „blinkt“, dies zeigt an, dass es in den Bluetooth-Paarungsmodus übergeht.

Tire de la lámina de aislamiento, luego mantenga presionado el botón “encender” durante 5 segundos hasta que la banda de luz “parpadee”, lo que significa que ingresa al modo de emparejamiento por Bluetooth.

Retirez la feuille d'isolation, puis appuyez longtemps sur le bouton «allumer» pendant 5s jusqu'à ce que la bande lumineuse «clignote», ce qui signifie qu'elle passe en mode d'appariement Bluetooth.

4

Rimuovere il film protettivo, quindi premere a lungo il pulsante “accendere” per 5 secondi fino a quando la banda luminosa non “lampeggia”; questo segnale indica l'entrata in modalità di associazione Bluetootha.

Вытяните изоляционный лист, затем нажмите и удерживайте кнопку «Вкл» в течение 5 секунд, пока индикатор не начнет «мигать», что означает переход в режим сопряжения Bluetooth.

Puxe a folha de isolamento e pressione e segure por 5s o botão até a faixa de luz “piscar”, o que significa que entra no modo de emparelhamento Bluetooth.

一分钟内没有进行配网，设备将退出蓝牙配网模式。如需再次进入，长按遥控器“on”按键5秒直至灯带呈“闪烁”状态即可。

The device will exit the Bluetooth Pairing mode if not paired within 1min. If you want to enter this mode again, long press the “on” button on the remote controller for 5s until the light strip “flashes” and release.

Das Gerät verlässt den Bluetooth-Paarungsmodus, wenn es nicht innerhalb von 1 Minute gekoppelt wird. Wenn Sie wieder in diesen Modus eintreten möchten, drücken Sie die „Ein“-Taste auf der Fernbedienung 5 Sekunden lang, bis der Lichtstreifen „blinkt“, und lassen Sie dann los.

El dispositivo saldrá del modo de emparejamiento por Bluetooth si no se empareja en 1 minuto. Si desea ingresar a este modo nuevamente, mantenga presionado el botón “encender” en el control remoto durante 5 segundos hasta que la banda de luz “parpadee” y suéltelo luego.

L'appareil sortira du mode d'appariement Bluetooth s'il n'est pas appairé dans les 1 minute. Si vous voulez entrer à nouveau dans ce mode, appuyez longtemps sur le bouton «allumer» de la télécommande pendant 5s jusqu'à ce que la bande lumineuse «clignote» et relâchez.

Il dispositivo uscirà dalla modalità di associazione Bluetootha se non viene sincronizzato entro 1 minuto. Per abilitare nuovamente questa modalità, premere a lungo il tasto “accendere” sul telecomando per 5s fino a quando la banda luminosa “lampeggia”, quindi rilasciare.

Если сопряжение не будет выполнено в течение 1 минута, устройство выйдет из режима сопряжения Bluetooth. Если Вы хотите снова войти в данный режим, нажмите и удерживайте кнопку «Вкл» на пульте ДУ в течение 5 секунд, пока индикатор не начнет «мигать», и затем отпустите.

O dispositivo sairá do modo de emparelhamento Bluetooth se não estiver emparelhado dentro de 1 minuto. Se você quiser entrar neste modo, pressione e segure o botão “on” no controle remoto por 5s até que a faixa de luz “pisque” e solte.

FCC Warning

Changes or modifications not expressly approved by the party responsible for compliance could avoid the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

9

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off andon, the user is encouraged to try to correct the interference by one or more of the following measures:

— Reorient or relocate the receiving antenna.
— Increase the separation between the equipment and receiver.
— Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
— Consult the dealer or an experienced radio/TV technician for help.

10

Hereby, Shenzhen Sonoff Technologies Co., Ltd. declares that the radio equipment type L2-2M/L2-5M/L2 Lite-5M-US/L2 Lite-5M-EU is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:
