YOUR SMART HOME CHOICE SONOFF

三分钟内没有进行配网，设备将退出快速配网模式。如需再次进入，每间隔1秒进行手动关开三次（关→开→关→开→关→开），当设备呈“呼吸状态”即可。
The device will exit the quick pairing mode (Touch) if not paired within 3mins. If you want to enter this mode, please press the manual switch three times repeatedly at an interval of every 1s (Off-ON-Off-ON-Off-ON). The "breathing mode" indicates the light enters quick pairing mode.
Das Gerät beendet den Schnellkopplungsmodus (Touch), wenn innerhalb von 3 Minuten keine Kopplung erfolgt. Wenn der Schnellkopplungsmodus erneut aufgerufen werden soll, bitte drücken Sie den Lichtschalter dreimal wiederholt im Abstand von jeweils 1 Sekunde (AUS-EIN-AUS-EIN-AUS-EIN). Der „Blinkmodus“ zeigt an, dass die Lampe den Schnellkopplungsmodus aufruft.
El dispositivo saldrá del modo de emparejamiento rápido (Touch) si no se ha emparejado al cabo de 3 minutos. Si necesita volver a ese modo, presione el interruptor de luz repetidamente tres veces en intervalos de 1s (apagado-encendido-apagado-encendido-apagado-encendido). El "modo respiración" indica que la luz entra en modo de emparejamiento.
L'appareil quitte le mode de jumelage rapide (Touch) s' il n' est pas jumelé dans les 3 minutes. Pour y revenir, appuyez trois fois sur l'interrupteur avec un intervalle de 1 seconde (off-on-off-on-off-on). Le "mode respiration" (la lumière imite le cycle de la respiration) indique que la lumière est entrée en mode appariage.
Il dispositivo uscirà dalla modalità di abbinamento rapido (Touch) se non abbinato entro 3 minuti. Se avete necessità di effettuare nuovam ente l' accesso, premere il interruttore della luce tre volte ripetutamente a intervalli di 1 secondo (Off-ON-Off-ON-Off-ON). La "modalità è in apprendimento" la luce indica che siamo in modalità di associazione rapida.
Устройство выйдет из режима быстрого сопряжения (Touch), если сопряжение не будет выполнено в течение 3 минут. Если нужно войти снова, нажмите выключатель три раза с интервалом в 1 секунда (вкл-выкл-вкл-выкл-вкл-выкл-вкл). «Режим дыхания» означает, что индикатор входит в режим быстрого сопряжения.
O aparelho irá sair do modo de pareamento se a conexão com o Wi-Fi não for feita em até 3 minutos. Se você queira entrar nesse modo, por favor, Ligue/Desligue três vezes repetidamente em um intervalo de 1s (DESLIGAR-LIGAR-DESLIGAR-LIGAR-DESLIGAR-LIGAR). A luz irá começar a oscilar entre forte e fraco “modo respiração”, isso indica que o dispositivo entrou no modo de emparelhamento rápido.

FCC Warning

Changes or modifications not expressly approved by the party responsible for compliance could avoid the user' s authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radiofrequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.

Hereby, Shenzhen Sonoff Technologies Co., Ltd. declares that the radio equipment type B02-F-A19/B02-F-A60/B02-F-ST64/B02-B-A60/B05-B-A60 is in compliance with Directive 2014/53/EU.The full text of the EU declaration of conformity is available at the following internet address:
